

2-4大内地区目標地図 (菅尾)

This figure is an aerial photograph of the 2-4 Ono District (菅尾) in Japan, overlaid with a map showing land parcels. The parcels are color-coded and labeled with numbers, likely representing area or parcel ID. The map is divided into several distinct regions, each with a unique color: red, green, blue, yellow, orange, pink, purple, and cyan. The parcels are distributed across the district, with some areas being more densely packed than others. The background shows the natural landscape, including fields, forests, and some buildings. A scale bar in the bottom right corner indicates a distance of 100 meters.

Scale: 100m
